2. Each school may enter 6 players and the best 4 scores will count for the team score

3. Conference provides medals to 8 places in individual play, and the team champion will receive 6 medals and NICL certificates

4. In case of ties for the team or individual honors, the procedure from the IHSAA in sectional play will be used for their resolution. Play offs will start on hole one

5. Scoring:

Each player will keep the scores for all players in the group, so each player serves as a marker for all players in the group. This option encourages all players to verbally exchange scores at the next tee box when each hole is complete. After the round, in the scoring area, players will certify their scores hole-by-hole verbally in the presence of all players in the group and signatures are not required. The scorecard is considered returned when the player verbally certifies the scores and places the scorecard in the box and/or at the scorer's table.
